

MIDNIGHT TREASURE PIERS TORDAY

Draw Your Own Fantasy World

Using the map in **Midnight Treasure** below as an example, draw your own fantasy world! Piers was inspired to research his family's Transylvanian heritage, and then write **Midnight Treasure**, after he discovered a fictional map his late father drew. You can even take a peek at the original map Piers' father drew in the back pages of **Midnight Treasure** for more inspiration!

When it comes to your fantasy world, are there any cities or forests or churches?
Are there any ruins or lakes or vast oceans?

Remember to name your world!
